

## SUN ODYSSEY 509 2015-17

The new Jeanneau 509 may be the most intriguing boat yet from award-winning designer Philippe Briand. The 509 stretches standard design parameters and nudges the status quo without the need to broadcast the fact with a garish design statement that screams, "Look at me, I'm different." The 509 is a handsome boat that blends fresh thinking with respect for what makes a sailboat a sailboat: that essential mix of grace, power and utility.
